**Notice given by:** Cllr. A. Cheevers **Seconded by:** Cllr. N. McNelis

**Date Received:** 7<sup>th</sup> April 2021 (Amended wording 30<sup>th</sup> May 2022)

That Galway City Council to permanently pedestrianise cross street and that would be from the Dáil Bar to Supermacs and to work with businesses to ensure the safety for pedestrians and cyclists. Reply issued on 16<sup>th</sup> April 2021. Request to leave on the agenda. The Motion was deferred at a Special meeting held on 30<sup>th</sup> May 2022 and a Report is to be brought to Council on the matter.

**NOM 8/2022****Submitted by Cllr. A. Cheevers on the 16<sup>th</sup> May 2022****Response issued 18/05/2023. Request to leave on the agenda.**

I am calling on Galway County Council to have full consultation with Galway City Council public representatives in relation to the Master Plan for the Galway Airport Site. I believe that as it is jointly owned with the county council the city council need to have full consultation in this process and it should not be solely for County Council.

**NOM 17/2022****Submitted by Cllr. D. Lyons on the on the 10th Oct 2022.****Response issued 05<sup>th</sup> April 2023****Resubmitted 10th April 2023 (Not included in Special meeting on 22/05/23 as Cllr. Lyons had three motions on this agenda).**

I request Galway City Council to progress the installation of a lighted pedestrian crossing on the Barna Road at the laneway that exits from the Rusheen Woods to the Barna Road. This laneway since upgraded is widely used by residents who walk the back Promenade. It is my understanding that the necessary drawings have been completed for some time for a pedestrian crossing at this location.

**NOM 17/2023****Submitted by Cllr. A. Curran on the 23<sup>rd</sup> June 2023**

I propose that this council investigate the option of repurposing the current city hall offices on College Road into a social hub for community groups, social entrepreneurs, charities, artists, and other volunteer organisations to use as dedicated office, presentation, performance, and teaching space when the move to Crown Square is complete.

**NOM 18/2023****Submitted by Cllr. A. Curran on the 23<sup>rd</sup> June 2023**

That the council will create a warm weather response contingency plan for the city to be actioned during forecasted spells of warm and dry weather. This contingency plan will consider amongst others the council's approach to water safety, transportation, refuse and waste, public spaces, sanitation facilities and recreational areas.

**NOM 19/2023****Submitted by Cllr. D. Lyons on the 22<sup>nd</sup> June 2023**

In view of the recent petition by the Mincloon Residents seeking a footpath in their area from the junction of the Clybaun Road to the junction of Bóthar Stiofáin, I request Galway City Council to forward this request to the National Transport Authority and pursue it as a pilot Active Travel Project, which could be replicated in other parts of the city which is similar to the Ragoon Road, lacking the necessary infrastructure like footpaths and public lighting.

**6. QUESTIONS - Not considered.****Q4/2023****Submitted by Cllr. N. McNelis on the 10<sup>th</sup> of April 2023**

Can Galway City Council urgently look at the design of Upr and Lwr Clybaun Road and Upr and Lwr Ballymoneen roads as pedestrian crossings at this roundabout are not safe and the speed coming off these is very high.

Elected members of the West Ward met with Garda Superintendent last week and also raised this but there needs to be a design change to make these areas safe.
