

Our Services and Resources

To provide support services and resources to elected members to fulfill their democratic mandate and to staff to effectively undertake their executive function so that we can deliver efficient and effective quality services to all

To deliver economies and efficiencies through working with other local authorities and agencies on shared services initiatives

Housing and Social Inclusion

To accelerate the delivery of good quality social and affordable housing in an equitable manner and in appropriate locations in order to develop sustainable balanced communities

Planning

To have in place a system of effective proper planning capable of meeting the sustainable economic, environmental and social development objectives of the city

Transport

To work in partnership with the Department of Tourism, Transport and Sport, key funding agencies and other stakeholders to implement the Galway Transport Strategy

Climate Action, Environment and Recreation and Amenity

To protect, enhance and conserve the natural environment of our city, to provide leadership in climate action and to develop and promote high quality recreational, leisure and amenity facilities to improve quality of life

Economic Development, Community and Culture

To facilitate a strong sustainable economic ecosystem in Galway which will support a good quality of life for its residents, and will ensure the sustainable development of the region

To deliver a transformative strategy which makes Galway a working model of cultural sustainability, community participation, best practice and world class cultural and creative experiences

To ensure all our communities can achieve their full potential and take an active formal role in policy making and oversight through targeted engagement and collaboration
