7. Questions

Q7/2024, submitted by Cllr. J. Connolly on 29/09/2024

Response issued 06/11/2024

Can the council be provided with the number and locations of all public bins managed and maintained by Galway City Council over the following years:

• 2020 • 2021 • 2022 • 2023 • 2024

Q8/2024, submitted by Cllr. E. Hoare on 12/10/2024

I refer to the recent erection of 18 metre masts in various locations of Galway City. Permission for the erection of the masts has been granted through the s.254 licence application process. Can Galway City Council please confirm why permission for the erection of such structures is not permitted under the normal planning process? This is the case in a number of other Local Authorities.

The s.254 process excludes the general public from making submissions and in the case of substantial permanent structures like these large masts, I believe this is unfair to local residents.

Q9/2024, submitted by Cllr. A. Curran on 26/10/2024

Can the council provide a breakdown of total bookings made as a percentage of total available booking slots, for the last 12 months, for each of the following community sports facilities and meeting rooms:

- Drom Chaoin/Glen Oaks Muga
- Knocknacarra Community Centre
 - All Weather 3G Pitch
