Describe your proposed project in no more than 300 words.

Project Objectives: Please tick (up to a max of 3) which of the objective/objectives your project delivers on:-

Creative Micro Spaces

To Revitalise and regenerate our public spaces and to improve the connectivity of communities to the built environment and public spaces.

European mobility projects

Identify and support European mobility projects, international residencies, access to areas of artistic excellence and curatorial exchange programmes for artist and cultural workers.

Pairing Artists/Creatives with industry/multi-national

Increase the practice of pairing artists/creative's with industry/multi-national campuses to promote the benefits of collaborative practice.

Participation in international cooperation networks

Develop policies and programmes that allow people active in Galway's cultural sector, to participate in international cooperation networks.

Improve engagement

Improve engagement with the public through more open and effective consultation processes.

Irish language in Galway

Build on Galway's unique bi-lingual status to strengthen the use of the Irish language in Galway.

Health & Wellbeing

Develop, with the creative sector, capacity building programmes, for social services and other health workers that improves health and well-being among staff and service users. Develop, on a pilot basis, on directed health and culture initiative, with the local and national HSE.

Grassroots Cultural Processes and social innovation

Develop policies that guarantee access to free and plural information, as well as measures to guarantee that information is harnessed to promote citizen 'rights to participate in cultural life'. Implement a system that ensures that relationship and outcome between grassroots cultural processes and social innovation is analysed regularly.
