- Operation THOR pro-actively targets organised crime gangs and repeat offenders through coordinated crime prevention and enforcement activity based on intelligence and the latest crime trends and patterns to protect communities.
- Overtime allocation is fully spent noting that if a new operation is requested that this needs to be costed and sent for sanction and is more often than not approved.
- In relation to child and adolescent mental health crisis events it was noted that the Gardaí work very closely with Tusla and a programme was designed prior to Covid 19 and unfortunately roll out could not commence due to this.
