

5.4 Waste Management

- A. The removal of waste generated at each Casual Trading Area is the responsibility of the licence Holder.
- B. Licence holders shall ensure that all waste generated at the Casual Trading Area is disposed of appropriately and in accordance with the Waste Management Act 1996, as amended and any relevant Regulations and EU Directives.
- C. Licence holders shall provide a minimum of a 3 bin system for their waste. Food Waste, Dry Recyclable Waste and General Waste shall all be segregated, stored and disposed of separately by the License Holder to an appropriate waste facility. In the case where a Licence holder uses cooking oil, waste cooking oils shall be disposed of separately by the License Holder to an appropriate waste facility. Further information from foodwaste@galwaycity.ie or www.foodwaste.ie
- D. Licence Holders shall, on request by an Authorised Officer, produce evidence of method of disposal of waste generated at the Casual Trading Area.
- E. The provision or sale of any single use plastic product will be prohibited; this includes bottles, cutlery, containers, single use sachets, plates, straws, etc. Compostable or reusable alternatives must be used instead of single use plastic. The Food waste bin(s) should clearly state that the plates, cups, etc. are compostable and can be placed in this bin.
- F. Plastic bag levy must be applied to all leviable plastic bags supplied and returns made to Revenue as required. Further information from package@galwaycity.ie or www.revenue.ie
- G. Contravention of this provision of these byelaws shall result in enforcement action being taken against the Licence Holder under the Waste Management Act 1996, as amended.
