

Ballybane Road and Castlepark Road Cycle Network Scheme

Coffey Construction Ltd., working on behalf of **Galway City Council**, are delivering the **Ballybane Road & Castlepark Road Cycle Network Scheme**. The scheme is funded by the **National Transport Authority (NTA)** and the Urban Regeneration and Development Fund.

Progress to date

This project remains on track for completion in **Q3 2026**. Along both Ballybane Road and Castlepark Road, construction on the **first side of each road is nearing completion**.

What happens next

We are now commencing works on the **second side of each road**. To do this safely, **traffic and pedestrian routes will change** at times over the coming months. These changes will be **clearly signposted** and managed by temporary traffic measures.

What you can expect

- Temporary traffic management, including **reduced speed limits** and **frequent, single-lane operation** under traffic signals in off peak times.
- Temporary **changes to pedestrian routes**; Please follow signed diversions.
- Access to homes and businesses will be maintained. **Emergency access will be available at all times.**
- Temporary Bus stop adjustments will be required; on-street notices will advise of any temporary relocations.

Work Schedule

- **Ballybane Road:** Works have now begun on the second (West) side of the road from the ATU heading North towards Walter Macken Road. Works are also due to begin in the area from Monivea Road heading South towards the ATU including works inside Monivea Park.
- **Castlepark Road:** Works have now begun on the second (West) side of the road from Ballybane/Castlepark Intersection, heading North to Monivea Road / Junction.
Diagrams on the next page give more information on the Road Works Phasing Order.

Traffic Management

- Traffic management measures will be in place throughout the works and some delays are to be expected.
- Two-way traffic will be maintained where possible. However, single-lane closures will be frequent during off-peak hours using a stop/go system.
- Some minor road closures may be required, with diversions ensuring residential access. Affected residents will be notified in advance.
- The completed design reduces the width sections of the carriageway and junctions to calm vehicle speeds and make room for safer cycling and walking facilities. Motorists should drive with care while getting used to the new layout.

Scheme Layout & Phasing

The project will be completed in phases, with works now moving onto the second side of both Ballybane and Castlepark Roads. Works will continue to progress on both roads simultaneously. Once each phase is substantially complete, the new infrastructure will be opened to the public.

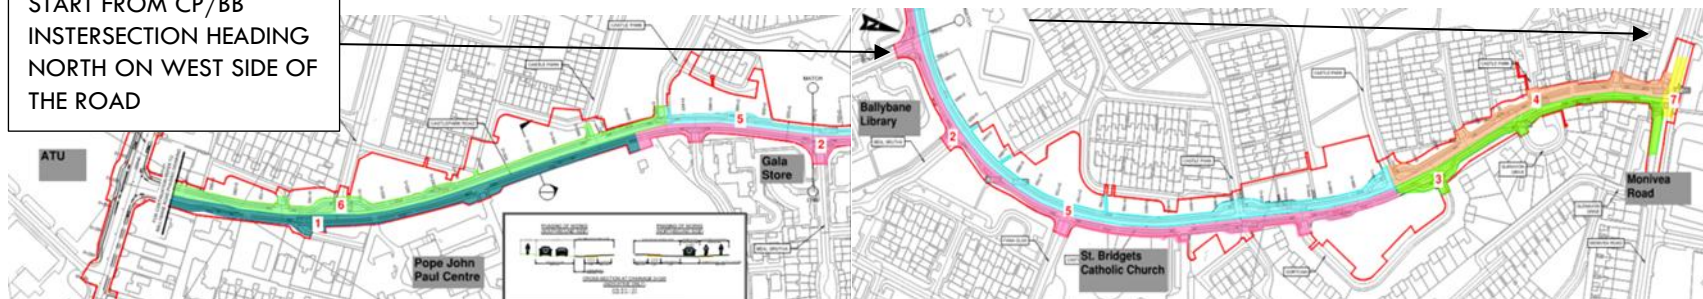

Ballybane Road Works Phasing order:

START FROM ATU HEADING
NORTH ON WEST SIDE OF THE ROAD

Castlepark Road Works Phasing order:

START FROM CP/BB
INTERSECTION HEADING
NORTH ON WEST SIDE OF
THE ROAD

Scéim Líonra Rothaíochta Bhóthar an Bhaile Bháin agus Pháirc an Chaisleáin

Tá Coffey Construction Ltd. ag obair thar ceann Chomhairle Cathrach na Gaillimhe chun Scéim Líonra Rothaíochta Bhóthar an Bhaile Bháin agus Pháirc an Chaisleáin a chur i gcrích. Tá an scéim arna maoiniú ag an Údarás Náisiúnta Iompair (NTA) agus ag an gCiste um Athghiniúint agus Forbairt Uirbeach.

Dul chun cinn go dtí seo

Tá an tionscadal seo fós ar an mbóthar ceart agus le críochnú in **R3 2026**. Feadh Bhóthar an Bhaile Bháin agus Bhóthar Pháirc an Chaisleáin, tá an tógáil ar an **gcéad taobh den dá bhóthar beagnach críochnaithe**.

Cad a tharlóidh anois

Táimid ag tosú anois ag obair **ar an taobh eile de gach bóthar**. Chun é sin a dhéanamh go sábháilte, beidh **athrú ar bhealaí tráchta agus coisithe** uaireanta sna míonna amach romhainn. Beidh **comharthaí soiléire** ag dul leis na hathruithe sin agus déanfar iad a bhainistiú le bearta tráchta sealadacha.

Cad leis ar cheart a bheith ag súil?

- Bainistíocht shealadach tráchta, lena n-áirítear **luasteorainneacha laghdaithe** agus **feidhmíocht aontreo go minic** faoi chomharthaí tráchta in uaireanta seachbhuaice.
- Athruithe sealadacha ar bhealaí coisithe; Leanaigí na hatreoruithe ar chomharthaí le bhur dtoil.
- Beidh rochtain fós ar thithe agus ar ghnólachtaí. Beidh rochtain éigeandála oscailte i gcónaí.
- Beidh gá le coigeartuithe sealadacha ar stadanna bus; cuirfear fógraí sráide aon áit a mbeidh athlonnú sealadach le cur in iúl.

Sceideal na hOibre

- **Bóthar an Bhaile Bháin:** Cuireadh tús leis an obair anois ar an dara taobh (thiar) den bhóthar ó ATU ag dul ó thuaidh i dtreo Bhóthar Uaitéir Uí Mhaicín. Cuirfear tús leis an obair sa cheantar freisin ó Bhóthar Mhuine Mheá ó dheas i dtreo ATU lena n-áirítear obair taobh istigh de Pháirc Mhuine Mheá.
- **Bóthar Pháirc an Chaisleáin:** Cuireadh tús leis an obair ar an dara taobh (thiar) den bhóthar ó Chrosbhealach an Bhaile Bháin/Pháirc an Chaisleáin, ag dul ó thuaidh go Bóthar/Acomhal Mhuine Mheá.
Tugtar tuilleadh eolais i léaráidí ar an gcéad leathanach eile maidir le hOrdú Céimnithe na nOibreacha Bóthair.

Bainistiú Tráchta

- Beidh bearta bainistithe tráchta i bhfeidhm le linn na hoibre agus meastar go mbeidh roinnt moilleanna i gceist.
- Coinneofar trácht dhá threo nuair is féidir. Mar sin féin, tarlóidh dúnadh lánaí aonair go minic le linn uaireanta seachbhuaice agus beidh úsáid á baint as an gcóras stop/gluais.
- D'fhéadfadh sé go mbeadh gá roinnt mionbhóithre a dhúnadh, agus trácht ar mhalairt slí a bheith ann chun rochtain do chónaitheoirí a chinntiú. Cuirfear cónaitheoirí a mbeidh tionchar aige sin orthu ar an eolas roimh ré.

Sa dearadh críochnaithe, laghdaítear leithead chodanna an charrbhealaigh agus na n-acomhal chun luasanna feithiclí a mhaolú agus chun spás a dhéanamh d'áiseanna rothaíochta agus siúl níos sábháilte. Ba chóir do thiománaithe tiomáint go cúramach agus iad ag dul i dtaithí ar an leagan amach nua.

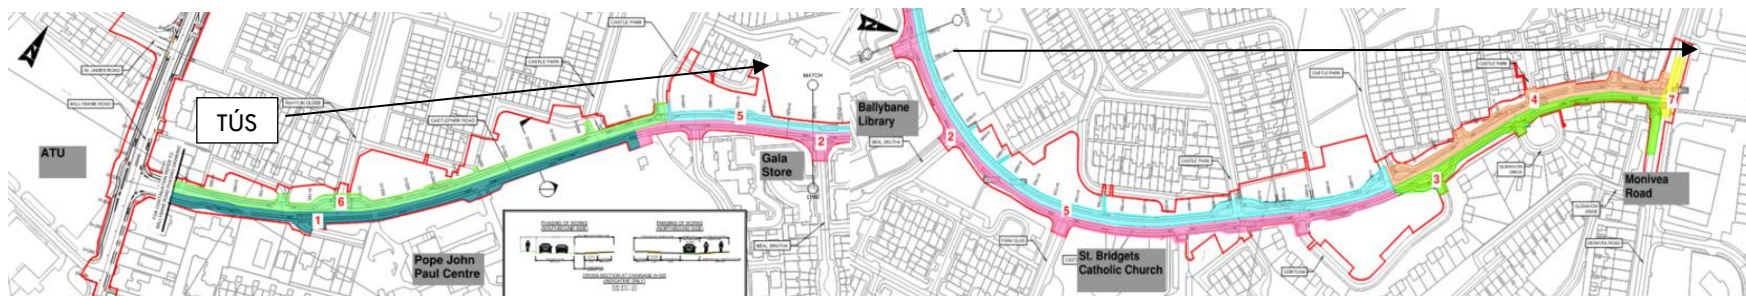

Leagan Amach & Céimniú na Scéime

Cuirfear an tionscadal i gcrích i gcéimeanna, agus bogfar ar aghaidh anois chuig na hoibreacha ar an taobh eile de Bhóthar an Bhaile Bháin agus de Bhóthar Pháirc an Chaisleáin. Leanfar leis an obair ar an dá bhóthar ag an am céanna. Nuair a bheidh gach céim a bheag nó a mhór críochnaithe, osclófar an bonneagar nua don phobal.

Ordú Céimnithe Oibreacha Bhóthar an Bhaile Bháin:

Ordú Céimnithe Oibreacha Bhóthar Pháirc an Chaisleáin:
