

Martin Junction Upgrade Progress Update 27th February 2023

Please see below details of proposed Traffic Management Plan as part of upcoming works on the above scheme.

The next phase involves tying in the main body of the junction to the remaining lanes of the Old Dublin Road. The Traffic management will continue to broadly follow the existing alignment of the Roundabout for the coming week.

- **Current Traffic Management layout:**

- **Upcoming Traffic management:**

Arduan Link Road

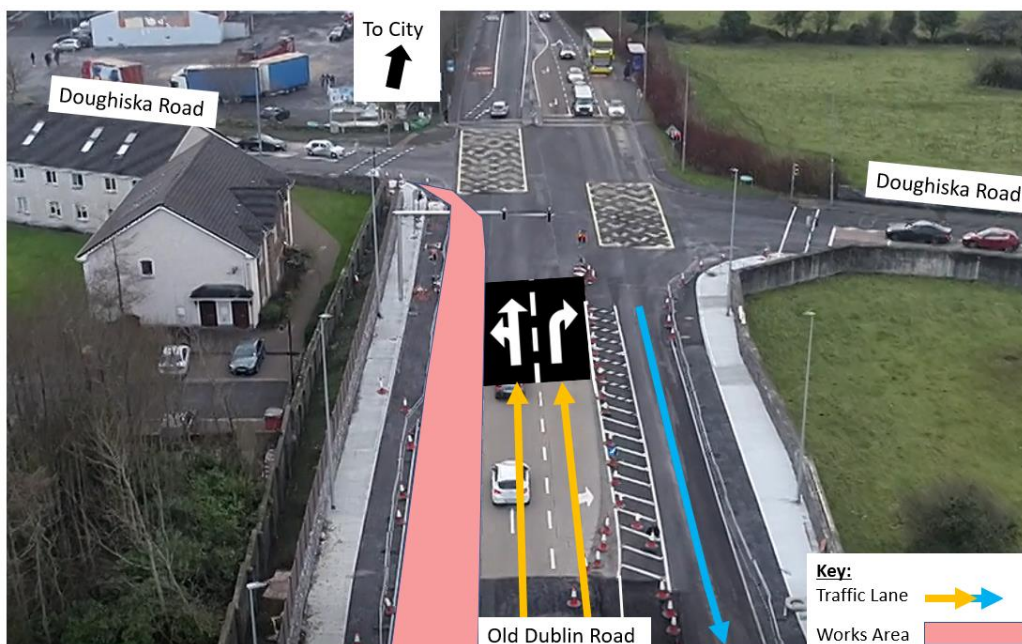

FBEL are planning to implement Traffic Management on the Arduan Link Road, to reduce the roadway to a Single lane for 2 days. Traffic will run in a Shuttle System (Stop/Go & Traffic Signals):

Start: 09.30 hrs Monday 27th February 2023 **Finish:** 19:00 hrs Tuesday 28th February 2023

Old Dublin Road

The Left lane approaching the Doughiska Traffic Signal Junction on the Old Dublin Road (Citybound) will be closed to facilitate pavement works. Traffic wishing to turn left are to use the centre lane as shown. This is to commence on Monday 27th February 2023.

If you have any queries please contact FBEL's Liaison officer using the number below:
