

**Martin Junction Upgrade
Progress Update
7th June 2023**

Please see below details of proposed Traffic Management Change as part of ongoing works on the above scheme.

**The upcoming works are to facilitate the change from the current “Mini-Roundabout”
to the new Traffic Signal Controlled Junction.**

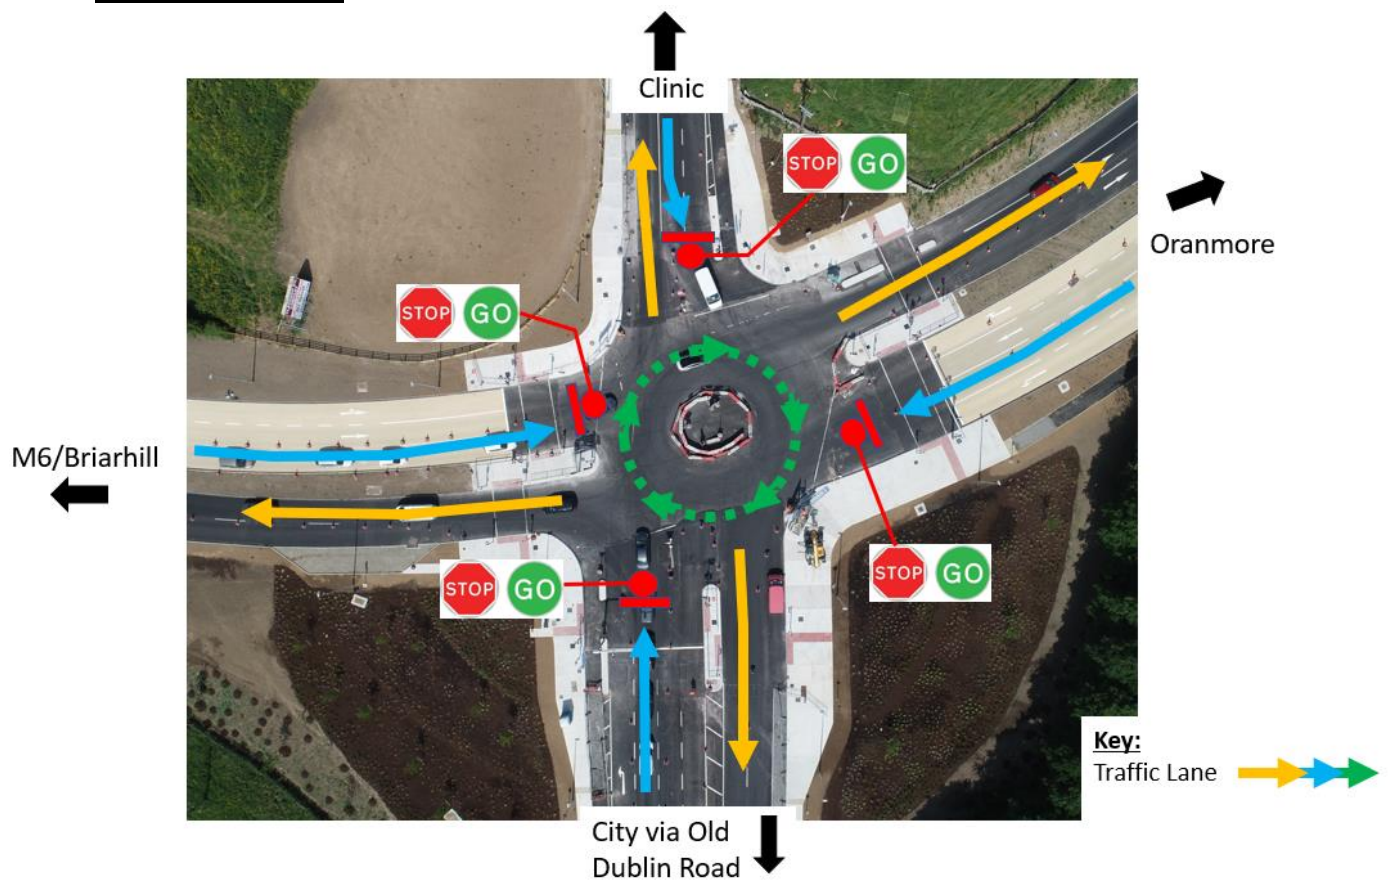

1. Stop/Go system

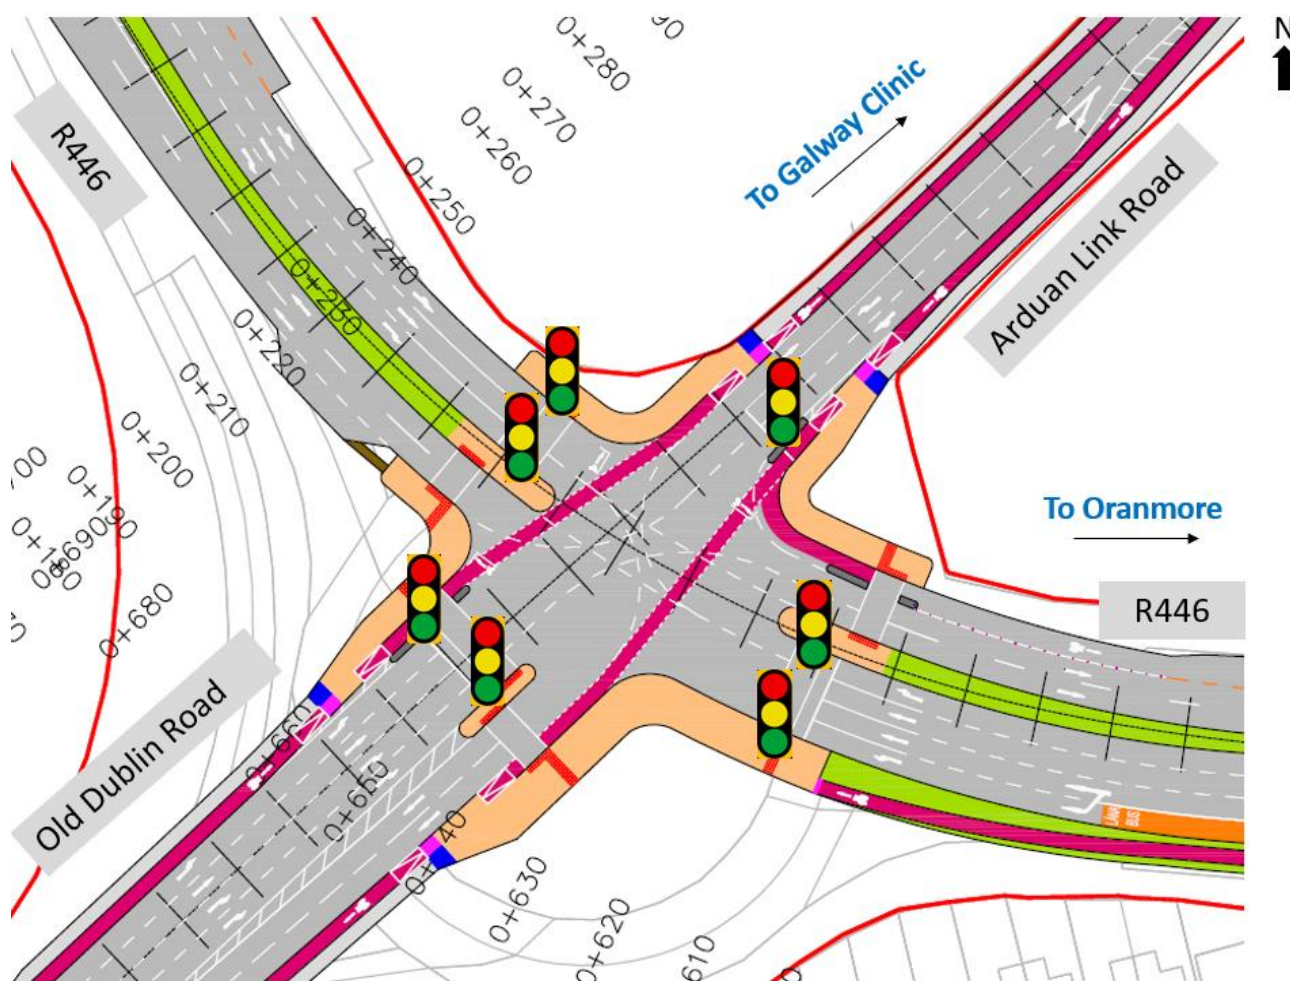

Fig 1: Temporary Junction Layout under Stop/Go System

A Stop/Go system will be implemented on all approaches to the Junction on in order to facilitate the final layer of surfacing on the dates below:

- **Monday 12th June, from 19.00 hrs until 06:00 hrs.**
- **Tuesday 13th June, from 19.00 hrs until 06:00 hrs.**

2. New Traffic Signal Junction Layout

The New Traffic Signals will be switched on **Wednesday 14th June 2023 (11:00hrs)**.

Night time working

Please note the above works will occur during Night time hours to facilitate the finished Surfacing and Roadmarking. FBEL will work to minimise noise levels and associated disruption.

If you have any queries please contact FBEL's Liaison officer using the number below:
