NOM 54/2025, submitted by Cllr. A. Curran on 29/08/2025 Referred from CPG Meeting 1 September 2025 to West Area Committee
That this council will, during the lifetime of this council term, prepare a masterplan for the recreational areas of Bearn Woods, Rusheen Woods, Rusheen Bay and SilverStrand in consultation with all stakeholders. This masterplan will look to improve access and connections between the recreational areas, identify opportunities to increase the provision of amenity and play facilities, examine the potential for the large area of land in Rusheen Bay/Old Hunters caravan park, and improve infrastructure for all beach users at Silverstrand, cognisant of the ecology and fragile biodiversity of the area that lies within the SPC/SPA. Item left on agenda

NOM 74/2025, submitted by Cllr. D. Lyons 27/11/2025 Referred from CPG meeting 1 December 2025 to West Area Committee
Having received a large number of representations and correspondence from concerned residents and parents of children attending the Knocknacarra Educate Together National School who are seriously concerned regarding road safety on Cappagh Road Lower, I am requesting Galway City Council Roads Department/Active Travel Department to investigate the possibility of introducing traffic calming measures on Cappagh Road South including extra signage, repeat 50 KPH signs, Speed Detector Signs and any measures that will reduce speed on this road.
