Woodquay Park Enhancement by GCC

Ref No : ABP - 320938-24

Dear Sir /Madam

The overall alteration of the Park follows some of the plan agreed by our local Residents association, but our main point of concern is that there is no reference to the existing railings. We believe it is important to retain as it limits the amount of anti social behaviour.

We are local residents- grand parents lived at 14 Corrib Tce since 1920 and I (Mary Mac Erlean) have lived at 15 Corrib Tce since the 1940's

Sincerely

Donal and Mary Mac Erlean
