Dear Sir/Madam,

With reference to planning application number ABP - 320938-24, I would urge you to reject this application. Our children attended Saint Nicholas' Parochial School. Woodquay park is the nearest green area for both Saint Nicholas' Parochial School and the Mercy Primary School, and an invaluable resource for teachers and students, as both schools only have a concrete play yard. At present, the park has a railing all around, which makes it a safe place to bring the school children for story time, play time, picnics etc. The new plans include the removal of the railings making the space no longer safe to bring a class of young children.

Yours sincerely,  
Marjanne Bryan
