Ref. No: ABP - 320938 - 24' 'Woodquay Park Enhancement by Galway City Council (GCC)

Please note my objection to the refurbishment of the park.

As a recent former resident, I consider the removal of the unique railings and the replacement hard landscaping will take away the character & history of this special inner city green space. The bird life will suffer enormously as will the loss of the green space for local schoolchildren. The spill out from the local pubs and boathouse into the park will result in increased anti social behaviour and raised noise levels in this residential area.

I very reluctantly sold my property in Corrib Terrace because of the anti social behaviour and late night noise & for the sake of the remaining homeowners, please reconsider your refurbishment plans.
