& Development Act, 2000 (as amended) & the Planning and Development
Regulations, 2001, (as amended).**

**Re: Installation of a retractable fabric shopfront awning to the front elevation
of Daróg Wine Bar.**

A Chara,

I refer to your recent application for a Declaration of Exemption under the provisions of the above and I wish to inform you that the proposed development is not an Exempted Development for the following reasons:

- The proposed 'Installation of a retractable fabric shopfront awning to the front elevation of Daróg Wine Bar' shown and described on particulars and drawings submitted to the Planning Authority on 25/06/2026 is development, is not exempted development as it is considered that based on the information submitted with the application, the proposed awning would materially alter the character of the protected structure and Architectural Conservation Area.

However, it must be emphasised that this opinion is given without prejudice to the provisions of Section 5(3) of the Planning & Development Act 2000 (as amended). "Where a declaration is issued under this section, any person issued with a declaration may, on payment to An Coimisiún Pleanála of such a fee as may be prescribed, refer a declaration for review by An Coimisiún Pleanála within 4 weeks of the date of the issuing of the declaration".

Mise le Meas,
